

Stop Proposition 49

Endorsement Form

I / We oppose Proposition 49, the After School Education and Safety Program Act of 2002 on the November 5, 2002 ballot.

Proposition 49 unfairly guarantees funding every year for one program with a powerful sponsor. Even while critical needs like health care, public safety and other children's programs may face budget cuts for several years to come. Even if it isn't the best after school program or the one that best fits the needs of every community.

You may add my/our name to your coalition list and use it publicly.
